

**Any amount you give will go directly to the restoration efforts.**

**Your contribution will permit us to completely restore the Holy Stairs over the next 3 years in these 3 phases:**

**Phase 1: The Chapel of St. Lawrence,** presently characterized by serious damage to all frescoed surfaces and lacking illumination. This gravely compromises both the vision of the works as well as their artistic content.

**Phase 2: The Holy Stairs,** where the frescoes are almost invisible and in need of restoration, conservation and proper illumination. The adjacent stairs have similar problems.

**Phase 3: The Entrance,** where the walls, floors, windows and statuary elements are in need of repair. The ceilings will also need to be cleaned and illuminated.

## **RESTORE THE HOLY STAIRS:**

*Entrance is free so that none is ever turned away. We receive half a million visitors every year. If everyone were to contribute just 1 euro, we would be able to pay for this restoration project in just one year.*

*We have already restored 2 chapels! The results were amazing and we cannot stop now!*
